

SUNSET WATER WAY

The sunset time is also ideal time of the day as the sun makes less light and we can watch its shape before the night time. It is more amazing in water areas as everything becomes golden twinkle. Join with us to come to Cua Dai Estuary to discover the hidden life: a ferry is rushing to take people back home; a fisherman take time to do some last day work; some work to be ready for the night...all can offer you a collection of beautiful pictures. Let's find a different atmosphere for dinner on the river with some Hoi An specialty, grilled sea food cooked right on the boat.

Itinerary:

- 16:00: Tour guide to pick up tourists at the hotel
- 16:30: Take the buffalo cart to local wharf in Cam Thanh
